Enthusiastic Web Developer focused on building responsive, user-friendly, and database-driven web applications

Technical Skills

- **Programming Languages:** Python, Java(core), JavaScript
- **Web Technologies:** HTML5, CSS3, Node.js
- **Frameworks & Libraries:** Django, React.js
- **Databases:** MySQL, MongoDB
- **Tools:** Git, GitHub, Visual Studio Code, Firebase
- **Core Concepts:** Data Structures, Algorithms, Object-Oriented Programming (OOP), REST APIs, CRUD Operations, DBMS

Experience

Python Full Stack Developer Trainee 2024 – Present

Dhee Coding Lab, Yelahanka

Developing and maintaining full-stack web applications using Python, Django, React.js, and MySQL, including REST API integration, authentication, and responsive UI design.

Lab Coordinator 2022 – 2023

Government Polytechnic, Turuvekere

Managed computer lab operations, provided technical support, and assisted students with software installation and hardware troubleshooting.

Projects

Car Pool Drive Sharing System

 [github](#)

HTML, CSS, JavaScript, Node.js, MongoDB

- Built a full-stack carpooling application enabling users to create, search, and manage ride bookings.
- Designed MongoDB schema and implemented secure CRUD operations.
- Developed responsive UI with backend integration using Node.js.

Weather Broadcasting Web Application

 [github](#)

HTML, CSS, JavaScript, REST API

- Developed a real-time weather application integrating external REST APIs.
- Processed and displayed dynamic weather data including temperature, humidity, and wind speed.
- Implemented input validation, error handling, and responsive UI design.

Personal Portfolio Website

 [github](#)

HTML, CSS, JavaScript

- Designed and deployed a fully responsive personal portfolio website.
- Implemented interactive UI components and optimized performance.
- Showcased projects and technical skills in a clean professional layout.

Education

Bachelor of Engineering in Computer Science - 8.2 CGPA

2023 – 2026

GECEM, Hassan (VTU)

Diploma in Computer Science and Engineering - 7.78 CGPA

2021 – 2023

Government Polytechnic, Turuvekere, Tumakuru

Certifications

HackerRank Python (Basic) Certification

Microsoft – Build Your Generative AI Productivity Skills

Git and GitHub Certification – LetsUpgrade

Python Programming Certification – Udemy
